Dear Kindergarten Families,

Monday, July 15, 2019

We hope you are enjoying your summer as the days slip away from us. Here at school, we are maintaining the classrooms and campus, preparing for the students, and planning for the academic year.

We have enclosed your student's class roster including the staggered start for Kindergarten as well as the supply list and 2019-20 school calendar. Please know that every effort was made to place him/her in a class that our staff felt was in his best interest. WMPCS is quite fortunate to have qualified, trained professionals at all levels who are dedicated to helping every child reach his fullest potential. Thank you for allowing us the opportunity to invest in your child's education and future.

Final registration forms are online; the link is posted on the WMPCS website at the 2019-20 Parent's Page. This gives you the opportunity to fill out the paperwork at your leisure. Please complete the online registration by August 15th. If you have not yet had the opportunity, please submit all Kindergarten forms including your student's blue medical form, a copy of his immunization record, and copy of his social security card (optional). These documents are required by the state. Thank you!

Completing the paper work early will also allow you to enjoy Open House with your child; this year the 3-6 Open House for our Children's House families is scheduled for Sunday, August 25th from 5:00 to 6:00 p.m. It is a time set aside for your child to meet his classroom teachers, visit in his actual classroom, and meet some of his peers with the safety of his parents being present.

5:00 *Meet outside Children's House for introductions; instructions; pick up your child's spirit shirt
Visit in your child's classroom; story time
Playground- opportunity to interact with teachers/families

*Please make every effort to arrive at 5:00 in order for you and your child to receive instructions on classroom procedures. If you arrive after 5:25, please join us behind the building in the playground area. The only opportunity you and your child will have to visit his actual classroom is until 5:25. The building doors will be locked after story time to ensure students are equipped with lessons prior to using materials.

We are anticipating a great year! Our teachers are preparing for the children; our classes are full; we have a healthy wait list; we are financially sound; our high school is thriving. It is an exciting time for our school, and we are thankful that you and your family have chosen to be part of our community!

Please feel free to join us at Open House for 1st to 12th grades on Thursday, August 22nd from 4:00-6:00 p.m. Although your child's class will not be open, you may enjoy visiting the rest of the campus.

Enjoy the remainder of the summer! We look forward to seeing you in a few weeks!

With warm regards,
