Dear Families,

Monday, July 15, 2019

We hope you are enjoying your summer as the days slip away from us. Here at school, we are preparing for the students' return, maintaining the classrooms and campus as well as planning for the academic year.

We have enclosed your student's class roster and the 2019-20 school calendar. As a reminder, the supply lists are available on the school's website. If your child moves up a level this year, please know that every effort was made to place him in a class that we felt was in his best interest. WMPCS is quite fortunate to have qualified, trained professionals at all levels who are dedicated to having every child reach his fullest potential. Thank you for allowing us the opportunity to invest in your child's education and future.

Final registration forms will be online; the link is posted on the WMPCS website at the 2019-20 Parents' Page. This gives you the opportunity to fill out the paperwork at your leisure. Please complete the online registration by August 15th.

Completing the paperwork early will also allow you to enjoy Open House with your child; this year Open House is scheduled for Thursday, August 22nd from 4:00 to 6:00 p.m. You may choose to bring your child's supplies at that time or on the first day of school on Monday, August 26th. As in past years, we will have a welcome booth set up between Buildings 1 and 2 where you may pick up this year's spirit shirt for your child(ren).

We are anticipating a great year! Our teachers are preparing for the children; our classes are full; we have a healthy wait list; we are financially sound; construction has begun on our Secondary I building; our high school is thriving! It is an exciting time for our school, and we are thankful that you and your family have chosen to be part of our community!

Enjoy the rest of the summer! We look forward to seeing you in a few weeks!

With warm regards,
