

WMPCS ATHLETICS Notice
3/13/2020

March 13, 2020

Based on the recent closures and cancelation of any events over 100 people in the State of NC, as well as athletic conferences suspending their seasons, we are canceling all sports activities for the remainder of the season. This includes our cross county intermaural running as well as any partnerships we have with other schools who have also canceled their seasons (softball and baseball).

Please know that this is affecting all schools that serve middle and high school aged children. If there are any updates, or we have the ability to have some portion of the season at a later date, we will keep you informed.

Thank you for your understanding. If you have any questions, please let me know.
