

WMPCS Questions
3/16/2020

We have been receiving a lot of questions and we are working to get you the answers as quickly as possible in the most efficient way possible. In an effort to do this without redundancy, we will be following the DPI's model of a Q and A working document. If you have a question, please complete the following form and we will answer your questions as soon as possible. If you have already asked a question on FB or have emailed us directly, please know that we captured your question and will have answers shortly if it has not been answered.

We will be releasing the document as quickly as possible. A link to the document will also be available on our website at www.wmpcs.org/covid19

Please note that this will be a changing document as we receive additional information from the CDC, State, DPI, local health officials and our Board of Trustees.

Thank you for your patience and understanding,

Austin
