

WMPCS Notice
3/15/2020

As we know, all public schools will be closed from March 16th through March 30th. This is an ever-evolving situation and we will continue to give you updates as we receive them.

With the sudden closure, we will be open tomorrow from 8:00 am to 3:00 pm if your child left belongings on campus that need to be retrieved.

Additionally, if you do not have a computer at home that your student(s) can use, we are going to provide a Chromebook sign out system to students in Secondary I and II. ChromeBooks may become available for the lower levels at a later time.

All assignments in Secondary I and II are currently postponed until further notice and students are encouraged to use this time to work on No Red Ink and Khan Academy. Students are also encouraged to complete assignments that have already been given if they are able to complete them at home; they will be due when school re-opens.

If you are picking up belongings or are requesting a ChromeBook, please come sign in at the office. If you are receiving a ChromeBook from school, you will complete a "Use of School Equipment" release.

We are also working on a resource document of educational activities you can do from home; we will hopefully have that available within the next few days.

Lastly, our community is one that always comes together and offers support for one another. If you would like to donate canned or packaged food items for distribution, you can drop them off at the office. The office will be operating at a reduced level after Monday but will be open from 8 am to 1 pm daily during the week. If you are in need of food items, please contact the office.

Thank you all for your understanding as we work through this unprecedented event. If you have any additional questions, please feel free to contact Darla or me.

Austin
