Classrooms will open from 4:30-6 p.m. Parents have the opportunity to visit the classrooms to witness the students' decorations, projects, and perhaps play a game or taste some cuisine from that country. At 6:30 p.m. the Parade of Flags will begin on the outside basketball courts, followed by the class performances.

Montessori Parent Education: Snake Game

The Montessori Snake Game is a Montessori math material that embodies Montessori's approach to math. The essence of this activity is that the child looks at an equation that has been written out for them, builds a "snake" with Colored Bead Bars, then makes exchange to come up with a total.

We would like to Congratulate Dustin Waters on his acceptance to the American Musical and Dramatics Academy. He also received the Merit Award which is a \$64,000 scholarship. He is pursuing a BFA in Professional Acting. Dustin will spend two years in New York learning stagecraft, and then transfer for his final two
