Erdkinder Club performs Community Service

What is [Chinese privet](#)? And why is it a problem for our local ecosystem? Erdkinder student-volunteers learned the answer to this question while lending a hand to our local chapter of the NC Native Plant Society (in New Bern) on Saturday morning. The service event was followed by a tour of the gardens of Tryon Palace. It was a lovely outing!

Random Acts of Kindness

The high school participated in Random Acts of Kindness Week this week. Different activities were planned throughout the week to help spread kindness throughout our school, family, and community. Ms. Wynne's Foods I spread kindness by baking cookies for everyone to enjoy. Students posted encouraging notes and shout-outs throughout the week with post-it notes or text. A homeroom group read with Ms. JoDee and Mrs. Johnson's class. The Earth and Environmental class is going to share science stories with the elementary. Our Monday SEL session concentrated on the benefits of kindness for all. The week concluded with sending letters to teachers or others who made a difference in our school journey.

Mission Statement: Our mission is to inspire academic excellence; to nurture curiosity, creativity, and imagination and to do so within an environment rich with warmth, kindness, and respect.

Montessori Parent Education: The Pink Tower

The Pink Tower consists of 10 pink cubes that are all the same color and texture. The only difference is their size. The preschool-aged constructs a tower with the largest cube on the bottom and the smallest on top. This material isolates the concept of size and is used to introduce vocabulary such as "largest" and "smallest" (amshq.org)

Student Acknowledgement

We would like to acknowledge Emerald Ashley for receiving the Bronze Presidential award for volunteer service to NC Support Our Troops.

BC Arts Council Grant

Children's House students had the opportunity to participate in weekly dance class from Solina Dance Productions with a grant from the BC Arts Council. The students learned new cultural dances and gained self-confidence. The 6 weeks less finished with a performance at the Turnage Theatre. Thank you to BC Arts Council and Solina Dance.
