Spirit Week

We're thrilled to share the incredible success of our recent Spirit Week at WMPCS! The halls were alive with energy as students and staff alike enthusiastically participated in various themed days, from wacky tacky day to sports day and everything in between. It was a fantastic opportunity for our school community to come together, showcasing our unity and school pride. Beyond the fun and excitement, Spirit Week also served a greater purpose. Thanks to the generous contributions from students, parents, and faculty, we were able to raise approximately \$500 for our upcoming middle school field trips. These funds will directly support enriching educational experiences outside the classroom, ensuring our students have access to valuable learning opportunities. We're immensely grateful for everyone's participation and support, making this Spirit Week not only memorable but also impactful.

Book Donations Needed

The middle school service learning group, Rehoming Books, is collecting gently used books. During our community dinner in March, the middle school will be selling the books for \$1.00. We are hoping to be able to provide for our students at a low price-only 1 dollar! The money will be used to purchase new books for the classroom. We will be placing collection boxes in all of our buildings. Please send books!!!
