Middle School Math Team Places 2nd in BCS Competition

WMPCS participated in the BCS Math Competition last week against schools from Beaufort, Martin, Pitt and Craven Counties. We had 20 students participate from 6-11th grades. Five of our students placed in at least the top 10 and the 8th grade math team came in 2nd place overall. Congratulations to our math students!

A special thanks to Mr. Rohner and Mrs. Stell for providing this opportunity for our students.

Individual Winners: Kaleb Jones, Landon Griffin, Zeke Blackmon, Eli Wolcott, and Shane Cleve

Mission Statement: Our mission is to inspire academic excellence; to nurture curiosity, creativity, and imagination and to do so within an environment rich with warmth, kindness, and respect.

Montessori Parent Education: Walk Around the Sun

Having a birthday the Montessori way involves celebrating a child's life and the various milestones they have passed. This is done through a ceremony called the 'Walk Around the Sun' wherein the child re-enacts their years on earth through a birthday walk around the sun, with classmates singing the Montessori birthday song. This is followed by a show and tell of photos of significant events that have occurred from the child's birth to their current age, to show the progress the child has made through the years. (motessoirfortoday.com) At WMPCS we celebrate Walk Around the Sun in Kindergarten through 3rd grades and invite parents to join us.

Spring Break will begin on Mon., April 7th through Fri., April 14th. No School for Students or Staff

Car Line Reminder

Have you noticed this sign at the front driveway? Please help us keep carline traffic moving.

Kidsfest Fundraiser T-Shirts

Congratulations to Simon Watson (9th grade) for his winning Kidsfest T-Shirt design! T-shirts can be ordered online, and will be printed locally at Engraver's World. These can be worn on Fridays for spirit shirt day, too!
