What's Happening in Secondary?

The Drama Club once again ventured out to see our final musical of the year at the DPAC. Students were amazed by the sights, sounds, and pageantry of Moulin Rouge! For some of the students this was the first musical they had ever seen. The Staff at DPAC were amazing and allowed our students a quick photo shoot near the elephant at stage level which was a real treat! Everyone had a great time and we look forward to seeing more shows at the DPAC next year!

Congratulations to our very own Gavin Watson for being selected as a BCCC Ambassador representing WMPCS and the student body of BCCC.

WMPCS Senior Spotlight

Jacob Meetze has been attending WMPCS since 5th grade. In December, he began working to get his Private Pilot License. But before starting his pilot training, he worked at Pitt Greenville airport for five months as an assistant in an Airplane Maintenance shop, where he learned much about how planes work and how to work on one himself. Jacob then began flying at Pitt Greenville Airport for most of his training. However, he is flying at Triangle North Airport in the Raleigh area. Jacob will attend Liberty University for Aviation: Commercial/Corporate in the fall. He hopes to one-day fly jets for a corporate company or do missionary work as a pilot. Jacob says, "There is so much more that goes into flying than most people think; it takes countless nights and days studying information so you can be the best safe and most knowledgeable pilot out there; with that being said being a pilot isn't easy by any means, but my favorite part is being able to see the prop start to spin and you get up there in the air, and all your hard work has paid off." Jacob has also been a part of his local church, playing drums for the worship team and serving on the mission team since he was 14 years old.

Mission Statement: Our mission is to inspire academic excellence; to nurture curiosity, creativity, and imagination and to do so within an environment rich with warmth, kindness, and respect.

Montessori Parent Education: Money Management

Teaching children to manage money is the gift of a lifetime. Lower Elementary has simple coin counting lesson, while Secondary students have Practical Life lessons. These lesson include balancing checking account, credit card debit, interest calculations and money marketing skills.

Children's House has been busy!

Captain Waters and Sargent Barrow visited from Beaufort County Sherriff's Dept. visited after Friday's morning carline to read to the class. (right)

The children drew the Picasso self portrait for their mothers. (left)

Moving Up Night

Moving up Night is on Thursday, May 25th at 6:00 p.m. and is for rising 1st, 4th, 7th and 9th-grade families. You will meet in your student's 2023-24 next level building. This is parent's opportunity to ask questions and explore the classroom.

Athletic Booster Club Meeting

The Athletic Booster Club will meet on Thursday, May 25th, at 5:30 p.m. in the high school. Please come and support the WMPCS Athletics!
