Welcome Back!

We want to extend a warm welcome to our new families as well as to our returning families as we serve 420 students from ages 3 to 18 from 5 counties in their educational journeys. (Picture-Lower Elementary Staff)

Staff Spotlight

Stroud Winstead - Physical Education & Athletic Director

Hello everyone, my name is Stroud Winstead! I graduated from East Carolina University with a bachelor's degree in Physical Education with a concentration in Interdisciplinary Human Studies. I am extremely excited to encourage young learners to develop a passion for physical activity and personal health! I have always believed that everyone has a physical activity that they will enjoy doing, and I believe it is my job to find that for every student. As the Athletic Director, I will do my best to ensure that every child is having fun playing the game they love, and learning the personal values that I believe all sports teach; such as responsibility, overcoming adversity, and inspiring self confidence. I look forward to welcoming your students into the gym! Go Eagles!

Mission Statement: Our mission is to inspire academic excellence; to nurture curiosity, creativity, and imagination and to do so within an environment rich with warmth, kindness, and respect.

Montessori Parent Education: Binomial Cube

The Binomial Cube is an advanced puzzle that allows the exploration of patterns and relationships with 3-dimensional shapes. Through manipulating it, your child will develop an appreciation of mathematical concepts that they will revisit as a Elementary student when exploring algebra. (amshq.org)
