## Staff Spotlight

I am thrilled to be back in Junior High again this year at WMPCS. I have a NC Teaching license in middle school science and a BS in Horticulture from N.C. State University. For six years, I taught sixth, seventh, and eighth grade science at P.S. Jones Middle School and this is my seventh year teaching at WMPCS. My husband, Picott, and I have a daughter, Suzie, who graduated WMPCS last year and is attending NC State, and a eleventh grade daughter Claire, who also attends WMPCS. My hobbies include gardening, cooking, and spending time with family and friends. I look forward to seeing our 8th year learners again and to welcoming the new 7th graders!!
