**Mission Statement:** Our mission is to inspire academic excellence; to nurture curiosity, creativity, and imagination and to do so within an environment rich with warmth, kindness, and respect.

## Montessori Parent Education: The Pink Tower

The Pink Tower consists of 10 pink cubes that are all the same color and texture. The only difference is their size. The preschool-aged child constructs a tower with the largest cube on the bottom and the smallest on top. This material isolates the concept of size and is used to introduce vocabulary.
