Erdkinder Club host local Flower Bulb Fundraiser

Erdkinder means children of the Earth, and it was Maria Montessori's term for preparing the adolescent to engage in the large world around them. Our fundraiser celebrates local history; nature; seasonal change; planning (and planting) ahead; service learning (planting out in the community). Bulbs also make excellent and affordable holiday gifts for neighbors, friends, teachers, family members, ect.! Flyers will be going home this week and, forms will be due **NOVEMBER 27th** for Holiday delivery.

Montessori Parent Education: The Metal Insets

Metal Insets prepare a child's hand for writing by strengthening the pincer grip (appropriate grasp of a tool), developing the necessary wrist movement for writing, and teaching lightness of touch and evenness of pressure with a writing instrument through tracing geometric shapes. (amshq.org)
