Acknowledgements

Mrs. Omonde and the Violin Tour Group:

A huge **thank you** to our Montessori Community who generously supplied an abundance of pies to "shower" the residents of the Village. Our Tour Group is so grateful for your support.

Mrs. Jocelyn Bell Swanson from the Center for Guided Montessori Studies visited our school to observe Mrs. Loughlin as part of her Montessori Secondary training and certification. Mrs. Swanson has given a very positive report, and we appreciate her feedback about ways we can continue to improve our program!
